### Please follow all the formats suggested in this template.

- (1) Size: A4 horizontal (**within 1 page**).
- (2) Margins: 20 (top/bottom) and 30 mm (left/right).
- (3) Columns: 2 (separation of 8 mm).
- (4) Line spacing: 16 pt.
- (5) Font: Times, 12 pt (except title: Arial or Helvetica, 14 pt).
- (6) Presenting author: underlined.
- (7) Student lecture/ poster award: add “@” before the name.
- (8) Abstract (Maximum 400 characters)
- (9) Figures/Tables:
  - Width: less than 114.2 mm (column width).
  - Format: JPEG or JPG.
  - Resolution: appropriate for printing (recommend 300 dpi).
- (10) Other tips:
  - Please be sure to delete all the formatting information written in red.
  - Your paper number must be given on the top left corner (Please avoid misnumbering).

- **Please make sure that all fonts are embedded in the PDF file before submission.** Checklist: (1) Open your PDF file via Adobe Acrobat or proper software. (2) Select “Properties...” from the “File” menu and then the “Fonts” tab. (3) Confirm each font has the “(embedded)” property, which means all the fonts are successfully embedded. (4) If not, re-generate the file after changing either the configuration or the fonts. Note that lacking any embedded subset in the PDF file might cause rejection during the upload procedure.
- As the abstracts will be provided electronically (in a USB flash drive), color figures are acceptable in each abstract. **Please avoid using light colors** (yellow, yellow green, light blue, etc.) because the book of abstracts, which will be printed in grayscale, will be provided upon request to those who wish to have a print copy.
- The title of abstract and authors’ names must be exactly the same as those have already been registered.
